Version 1 ▾

Ascend FM Solutions is committed to conducting business ethically, responsibly and with respect for human rights.

We recognise the importance of identifying and reducing the risk of modern slavery practices within our operations, supply chain, subcontractor network, and service delivery activities.

Ascend FM Solutions maintains expectations that employees, contractors, suppliers, and service partners operate in accordance with applicable workplace laws, ethical employment practices and fair working conditions.

Our approach includes:

- Promoting lawful and ethical workplace practices
- Working with reputable suppliers and contractors
- Monitoring operational and subcontractor standards where reasonably practicable
- Encouraging responsible reporting of inappropriate workplace conduct
- Supporting compliance with Australian workplace and employee obligations

We remain committed to continuously improving our operational practices and supplier engagement processes to support reasonable and ethical business operations.
